Frances Burney

Frances Burney's Collected Works: Camilla, Cecilia, Evelina, and More! (4 Works) Frances Burney
Frances Burney, also known as Fanny Burney and after her marriage as Madame d'Arblay, was an English novelist, diarist and playwright. Frances Burney was a novelist, diarist and playwright. She wrote in all four novels, eight plays, one biography and twenty volumes of journals and letters. She has gained critical respect in her own right, but also foreshadows such novelists of manners with a satirical bent as Jane Austen and Thackeray. She published her first novel, *Evelina*, anonymously in 1778.

She followed it with *Cecilia* in 1782, *Camilla* in 1796 and *The Wanderer* in 1814. All Burney's novels explore the lives of English aristocrats, and satirise their social pretensions and personal foibles, with an eye to larger questions such as the politics of female identity.

This Edition Contains 4 Works;
