[Half Broke Horses: A True-Life Novel] (By: Jeannette Walls) [published: September, 2010] Jeannette Walls

Publication Date: September 7, 2010 "Those old cows knew trouble was coming before we did." So begins the story of Lily Casey Smith, Jeannette Walls's no-nonsense, resourceful, and spectacularly compelling grandmother. By age six, Lily was helping her father break horses. At fifteen, she left home to teach in a frontier town-riding five hundred miles on her pony, alone, to get to her job. She learned to drive a car and fly a plane. And, with her husband, Jim, she ran a vast ranch in Arizona. She raised two children, one of whom is Jeannette's memorable mother, Rosemary Smith Walls, unforgettably portrayed in *The Glass Castle*. Lily survived tornadoes, droughts, floods, the Great Depression, and the most heartbreaking personal tragedy. She bristled at prejudice of all kinds-against women, Native Americans, and anyone else who didn't fit the mold. Rosemary Smith Walls always told Jeannette that she was like her grandmother, and in this true-life novel, Jeannette Walls channels that kindred spirit. *Half Broke Horses* is *Laura Ingalls Wilder* for adults, as riveting and dramatic as *Isak Dinesen's Out of Africa* or *Beryl Markham's West with the Night*. Destined to become a classic, it will transfix readers everywhere
