The Way of Kings: Book One of The Stormlight Archive Brandon Sanderson

Widely acclaimed for his work completing Robert Jordan's *Wheel of Time* saga, Brandon Sanderson now begins a grand cycle of his own, one every bit as ambitious and immersive.

Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter.

It has been centuries since the fall of the 10 consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Wars were fought for them, and won by them. One such war rages on the Shattered Plains. There, Kaladin has been reduced to slavery. In a war that makes no sense, where 10 armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable.

Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity.

Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war.

Neil Espinoza:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make a summary for some book, they are complained. Just minor students that have reading's soul or real their leisure activity. They just do what the trainer wants, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise

word says, many ways to reach Chinese's country. Therefore this The Way of Kings: Book One of The Stormlight Archive can make you really feel more interested to read.
