## **Ulysses: Dublin Illustrated Edition** James Joyce

The Dublin Illustrated Edition of Ulysses, endorsed by The James Joyce Centre, meticulously recreates the 1922 text. Ulysses chronicles the passage of Leopold Bloom through Dublin during an ordinary day, 16 June 1904. Ulysses' stream-of-consciousness technique, careful structuring, and experimental prose: full of puns, parodies, and allusions, as well as its rich characterizations and broad humor, made the book a highly regarded novel in the Modernist pantheon. In 1998, the Modern Library ranked Ulysses first on its list of the 100 best English-language novels of the 20th century. This is the first edition ever published in Ireland.
