Sophie is a woman on a mission. The evildoer threatening New Orleans hurt someone she loved, and she'll avenge the murder even if it kills her. Hell or high water, revenge comes before everything else in her life – even before a certain mysterious, sexy shifter she can't seem to stop drooling over.

History has taught Ephraim better than to trust anyone. Least of all Sophie, the alluring white witch with too many secrets to count. When she seeks him out but refuses to explain his part in the coming battle to save New Orleans, he's more than a little nervous.

Because Sophie should and could be his mate... if only they could tell each other about their motives and pasts. As the war against Papa Aguiel comes to a climax, Ephraim and Sophie will have to fight together to save their lives – and their blossoming love – if there's any hope for the future of mankind.

This seventh and final installation of the Alpha Guardians series brings heart-pounding action, steamy passion, and satisfying happily ever after romance right to your heart.
