A Few Lessons for Investors and Managers From Warren Buffett

Peter Bevelin, Warren Buffett

A Few Lessons for Investors and Managers From Warren Buffett Peter Bevelin, Warren Buffett
Peter Bevelin begins *A Few Lessons for Investors and Managers* with Warren Buffett's wisdom, "I am a better investor because I am a businessman and a better businessman because I am an investor." This book is about how managers and investors can increase their chance of success and reduce the chance of harm if managers think more like investors and investors more like businessmen. There are a lot of books about Warren Buffett, but *A Few Lessons for Investors and Managers* is different. It tells in a short-easy-to-read way about what managers and investors can learn from Buffett. This is a selection of useful and timeless wisdom where Warren Buffett in his own words tells us how to think about business valuation, what is a good and bad business, acquisitions and their traps, yardsticks, compensation issues, how to reduce risk, corporate governance, the importance of trust and the right culture, learning from mistakes, and more.
