Fertility Rates and Population Decline: No Time for Children? (Palgrave Macmillan Studies in Family and Intimate Life)

Fertility Rates and Population Decline: No Time for Children? (Palgrave Macmillan Studies in Family and Intimate Life)

While many worry about population overload, this book highlights the dramatic fall in fertility rates globally exploring questions such as why are parents having fewer babies? Will this lead to population decline? What will be the impact of a world with fewer children and can social policy reverse fertility decline?
