SAS Macro Programming Made Easy Michele M. Burlew

This task-oriented book will guide you step-by-step through the fundamentals of the SAS macro facility. Included are a generous amount of illustrations, examples, and tips. With this book you will handily learn the following: advantages of macro programming, elements of the macro facility (macro variables, macro programs, macro language), how to write a macro program, macro programming techniques, tips on using the macro facility, how the macro facility fits into the SAS System, and interfaces between the macro facility and other components of the SAS System. Beginning macro programmers will learn to write SAS macro programs quickly and efficiently. More experienced macro programmers will find this book useful to refresh their conceptual knowledge and expand on their macro programming skills. The book assumes some SAS programming experience, including knowledge of how to write a DATA step and how to use SAS procedures.

Supports releases 6.09E and higher of SAS software.

From reader reviews:

Austin Lawrence:

Do you among people who can't read pleasurable if the sentence chained in the straightway, hold on guys this aren't like that. This SAS Macro Programming Made Easy book is readable simply by you who hate the straight word style. You will find the information here are arrange for enjoyable reading through experience without leaving also decrease the knowledge that want to give to you. The writer associated with SAS Macro Programming Made Easy content conveys thinking easily to understand by many people. The printed and e-book are not different in the content but it just different as it. So , do you continue to thinking SAS Macro Programming Made Easy is not loveable to be your top checklist reading book?

Robert Nichols:

Precisely why? Because this SAS Macro Programming Made Easy is an unordinary book that the inside of the guide waiting for you to snap it but latter it will surprise you with the secret this inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of benefits than the other book have got such as help improving your proficiency and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

Cristen Washington:

This SAS Macro Programming Made Easy is great reserve for you because the content which is full of information for you who all always deal with world and also have to make decision every minute. This kind of book reveal it data accurately using great plan word or we can claim no rambling sentences inside. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with beautiful delivering sentences. Having SAS Macro Programming Made Easy in your hand like keeping the world in your arm, info in it is not ridiculous 1. We can say that no guide that offer you world within ten or fifteen small right but this publication already do that. So , this really is good reading book. Hi Mr. and Mrs. stressful do you still doubt this?

Barbara Kelley:

Many people spending their moment by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to invest your whole day by looking at a book. Ugh, do you think reading a book can really hard because you have to take the book everywhere? It alright you can have the e-book, getting everywhere you want in your Touch screen phone. Like SAS Macro Programming Made Easy which is having the e-book version. So , why not try out this book? Let's see.
