Second German Reader – Discover the Power of the ALARM Method

Second German Readers is a Beginner and Pre-Intermediate level graded reader to learn German language easier and faster. If you already have background with German language, this book is the best one to try. It makes use of the so-called ALARM or Approved Learning Automatic Remembering Method to efficiently teach its reader German words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. By practicing this method, German can be learned in a fun and convenient way. You will learn German vocabulary without hassle with parallel English translation. Audio tracks available on the publisher's homepage free of charge will teach you German pronunciation. You will have fun learning German through this book because you will comprehend everything. You will be able to understand and create German dialogues as well. Second German Reader is ultimately comprehensive because each chapter is created with words explained in previous ones and with as few as possible new words. The author of this book used every opportunity to use the words used in the previous chapters to explain the succeeding chapter. This way, the reader will be able to understand every single detail of the book. Learning through this Second German Reader is like attending a sophisticated step-by-step lecture of Pre-Intermediate level. There is also First German Reader for complete beginners that was made in the same way. Those who do not have any background about German should start with First German Reader before moving on to Second German Reader.
