Come out of a relationship recently, or feeling rather broke? You're not alone! In *Surviving Solo*, jilted wife "DelightfulMary", having familiarised herself with the art of blogging, provides companionship, empathy, and often laugh out loud inspiration for all those finding themselves in a similar place. She romps through the highs and lows of setting up a B&B – drinking half a dead bat in the process; shares the horrors of on-line dating; the terror of taking part in reality TV; and the importance of family and friends; 'moving on' with humour, courage, pathos, and a disarming degree of honesty. A refreshing outing for Jones/Clarkson/Cooper fans, *Surviving Solo* is also a must read for all B&Bers.
