"The Way God Made Me" is about a young girl who questions everything about herself based on the image that she sees in the mirror and what other people say about her. The more questions she asks the more she discovers that she is "fearfully and wonderfully made", just the way God made her. Parents can use the "Teachable Moments" questions to begin a discussion with their daughters about a healthy self image and self esteem based on what the Bible says about the way God made them.
