Heart of the Desert Wild Greer K. Chesher

Heart of the Desert Wild combines naturalist writer Greer K. Chesher's thought provoking prose with photographer Liz Hymans' spectacular panoramic images to evoke the wonder of Grand Staircase-Escalante. Beginning with the land's rocky past and combing through the woven layers of place - native grasses and bighorn sheep, the sound of moving waters and the people drawn to them, strange soils and rare plants - the book provides an intergrated geography of what anthropologist Clyde Kluckhohn once called the "last Holy Place."
