Perfect for fans of Neil Gaiman, book two in the acclaimed Thickety series is the story of a good witch, a bad witch, and a forest demon, trapped together in a world that is both enchanting and dangerous.

After Kara Westfall's village turns on her for practicing witchcraft, she and her brother, Taff, flee to the one place they know they won't be followed: the Thickety. Only this time Kara is magicless without her grimoire and Sordyr, the forest demon, is intent on keeping them there. Kara and Taff will meet other inhabitants of the Thickety in their search for a safe way out, including the infamous witch, Mary Kettle. But can they trust anyone—plant, creature, witch, book, or magic—to help them escape, to undo Grace's final terrible spell, and to stop Sordyr's horrible reach from spreading across the rest of the world?

#### **Stacia Cobb:**

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Thickety: The Whispering Trees can make

you really feel more interested to read.
