Twilight Zone Curse of the Stars Volume 1 Resigned to Death Wayne Rollan Melton

Finally revealed here for the first time in this initial volume of a multi-part book set, the world learns riveting and shocking details that virtually every star from the iconic “Twilight Zone” TV series has been cursed—both the living and the dead. A former Editor-on-Loan to “USA Today,” investigative journalist, author and publisher Wayne Rollan Melton spent seven years of exhaustive research to uncover the truth. Why did virtually all “Twilight Zone” actors suffer miserable fates, even well after the classic television series ended its five-year, 156-episode run from 1959 to 1964? Why did many of them become murderers, commit suicide, succumb to inexplicable drug overdoses, die in tragic accidents and even succumb to inexplicable mental illness? Needless to say, the never-before-told revelations found herein have halted any plans for possible future “Twilight Zone” movies or TV programs. Virtually all A-list actors refuse to enter such projects. Who could blame them? Why risk suffering fates similar to what many doomed stars have already endured?
