## All Families Are Psychotic: A Novel Douglas Coupland

The most disastrous family reunion in the history of fiction.

The Drummond family, reunited for the first time in years, has gathered near Cape Canaveral to watch the launch into space of their beloved daughter and sister, Sarah. Against the Technicolor unreality of Florida's finest tourist attractions, the Drummonds stumble into every illicit activity under the tropical sun--kidnapping, blackmail, gunplay, and black market negotiations, to name a few. But even as the Drummonds' lives spin out of control, Coupland reminds us of their humanity at every turn, hammering out a hilarious masterpiece with the keen eye of a cultural critic and the heart and soul of a gifted storyteller. He tells not only the characters' stories but also the story of our times--thalidomide, AIDS, born-again Christianity, drugs, divorce, the Internet--all bound together with the familiar glue of family love and madness.
