Heat Wave Helen Ketteman

What happens when a heat wave descends on the family farm? Why, the corn stalks turn into popcorn in the fields, flowers pluck themselves and hide under the porch, and the cows jump so much from the hot air that they churn their own milk into butter, that's what! In this delightful tall tale, illustrated by Scott Goto (*Shooting Star, Shoeshine Whittaker*), a young girl saves the day (and the farm) using her own ingenuity, every crow in Kansas, and a packet of lettuce seeds.
