Equipping the Church to be Truly Christian in a Non - Christian World You're nothing but a bunch of garbage collectors! That's the kind of reaction Pastor Jerry Cook has received over the years as he and his church have gotten serious about showing love, acceptance and forgiveness and becoming the Body of Christ in their own community. To share his provocative approach to ministry, Jerry teamed with freelancer Stanley Baldwin to produce a highly readable account of how he has applied biblical principles to real people seeking real love, real acceptance and real forgiveness. You'll meet and learn about: the adulterous minister with no place to go the drug addict saved by special appointment developing a philosophy of church ministry equipping everyone in the church to serve why every church must become a servant This is a book full of hope and help for everyone, from Christians looking for reality in their churches, to pastors and other leaders seeking to provide that reality.
