Oath Takers L Douglas Hogan

This book is a call to return to our American roots; to remember our heritage and birthright. Most importantly, it is a reminder that our oaths are binding, and we have a responsibility to ourselves and our posterity to honor them. Douglas Hogan writes in a style that is both direct and candid. No words are minced; there is no “beating around the bush” or “tip-toeing through tulips”. Douglas says what he means, and his incredible passion is ample evidence that he means what he says. This book is a must read for anybody that has sworn an oath to uphold the Constitution of the United States. You are OATH TAKERS.
