Roads of Adventure Ralph Delahaye Paine

This volume is from 1922 and is a narrative of his life as Yale oarsman, filibuster, and war correspondent ... in three wars.

Contents:

Spanish-American War, 1898 — Personal narratives.

World War, 1914-1918 — Naval operations.

China — History — Boxer Rebellion, 1899-1901

From the book's Introduction:

"A full, busy youth is your only prelude to a self-contained and independent age ; and the muff inevitably develops into the bore. There are not many Dr. Johnsons to set forth upon their first romantic voyage at sixty-four. If we wish to scale Mont Blanc, or visit a thieves' kitchen in the East End, or go down in a diving dress or up in a balloon, we must be about it while we are still young. . . . Youth is the time to go flashing from one end of the world to the other both in mind and body ; to try the manners of different nations ; to hear the chimes at midnight ; to see sunrise in town and country."

STEVENSON

Joseph Gabriel:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Roads of Adventure can make you really feel more interested to read.
