## **Three Steps to Enlightenment** Bevan Audstone

In a thirty year study of what was, what is and what shall be, Bevan Audstone discovered the secrets to the universe, enlightenment and everlasting happiness. It is not so amazing really, because Audstone discovered what we all have within us. He listened to his own inner voice and trusted that the answers and were within him. After reading thousands of pages of history, philosophy, and critical thought, Audstone used a reductionist method to remove unnecessary complexity. Through accessible language and style, Audstone presents his discoveries in an easy to understand way.
