Wheels of a Soul: Reincarnation and Kabbalah Rav P.S. Berg

Wheels of a Soul is the book about reincarnation for 21st century readers. Here Rav Berg shows how an absolutely fundamental human precept -- that we have been here before, and that we will return here again until "we get it right" -- was for centuries either suppressed or ignored by religious and secular authorities. This is not just another New Age tract on "crossing over to the other side." This is the rediscovery of a principle that explains the reality we experience every day.

In a brilliant explanation of reincarnation for the modern reader, Rav Berg draws on basic Kabbalistic sources such as the Bible and the Zohar.

This is a revolutionary concept and Rav Berg presents it with exquisite clarity. In doing so, he answers questions that have compelled humankind for centuries: For what purpose are we in the world -- and how can we find the soul mate that will help us fulfill that purpose? Have we been here before -- and how can today's events illuminate past lifetimes? What is the true meaning of fate -- and how can we control fate through the power of our own free will?
