Are you interested in the history of our ancestors and one of the toughest times in the history of the United States of America?

Do you want a more complete knowledge on what went on during the Great Depression, Stock Market Crash, and the Dust Bowl?

The Great Depression and Dust Bowl struck right around the same time. They culminated and created an even worse depression than it should have been. The dust bowl completely eliminated crops, caused disease, and made the great plains of the US the worst place to be living. Farms were destroyed, families were destroyed and a lot of people died from starvation and disease. The Great Depression started with the stock market crash. After that occurred, people began losing their jobs left and right, and the poor got poorer...

What you'll learn inside:

- What caused The Great Depression
- What caused The Dust Bowl
- Why The Great Depression was so horrific
- How we beat The Great Depression
- And much, **MUCH** more!
