Enchantment: A Classic Fantasy With a Modern Twist Orson Scott Card
[Stefan Rudnicki and Gabrielle de Cuir]

The moment ten-year-old Ivan stumbled upon the clearing in the Carpathian forest, his life was forever changed. Atop a pedestal encircled by fallen leaves, a beautiful princess lay still as death, but a malevolent presence nearby sent Ivan scrambling for safety.

Years later, Ivan is an American graduate student, engaged to be married. Yet he cannot forget that long-ago day in the forest nor convince himself it was merely a frightened boy's fantasy. Compelled to return to his native land, Ivan finds the clearing just as he left it. This time he does not run. This time he awakens the beauty with a kiss and steps into a world that vanished a thousand years ago.

A rich tapestry of clashing worlds, Enchantment is an original novel of a love and destiny that transcends centuries and the dark force that stalks them across the ages.
