**Options Trading Strategies: Discover the Simplest Option Strategies to Limit the Risks and Maximize Your Return (Options Trading Strategies, Options Trading Strategies books, Options Trading)** Bobbie Warren

Options Trading Strategies: Discover the simplest option strategies to limit the risks and maximize your return is a guidebook to the subject of stock market options — the ins and outs of this esoteric investment. In a succinct form, it covers this sophisticated approach to portfolio growth for the savvy investor. New investors will also benefit from knowing the basics in order to consider indulging. It is a supplement to other more prudent forms of investing and forms a small part of any prudent investment portfolio. Options can be risky and aggressive, but they have their conservative side as well. It is important to know the difference in the types available and to match options with personal objectives. It is not a guaranteed investment but offers great potential over time. Doing it once or twice is not really the best strategy. Advice is recommended as opposed to doing it on your own. Careful study will yield sufficient knowledge to start small

## **In this book, we cover:**

- Definition of options basics
- Investment choices and objectives: where do options lie?
- Why use options: speculation and hedging
- Risk/reward ratios: how much risk can you tolerate?
- Emotional investing: fear and greed
- Options strategies: some typical scenarios
