Long considered a masterpiece of the eerie and fantastic, *Strange Stories from a Chinese Studio* is a collection of supernatural-themed tales compiled from ancient Chinese folk stories by Songling Pu in the eighteenth century. These tales of ghosts, magic, vampirism, and other things bizarre and fantastic are an excellent Chinese companion to Lafcadio Hearn's well-known collections of Japanese ghost stories *Kwaidan* and *In Ghostly Japan*.

Already a true classic of Chinese literature and of supernatural tales in general, this new edition of the Herbert Giles translation converts the work to Pinyin for the first time that properly introduces the book to both readers of Chinese literature and of hair-raising tales best read with the lights turned low on a quiet night.
