*Queen of Navarre Margaret*

**Tales of the Heptameron, Vol. I** Queen of Navarre Margaret

*The Heptameron* (generally accepted to be the work of Marguerite de Navarre, Queen of Navarre and the sister of Francois I), like Chaucer's *Canterbury Tales* and Boccaccio's *Decameron*, is a collection of tales told by characters -- in this case, five gentlemen and five ladies stranded in abbey. The storytelling soon devolves into a verbal battle between the sexes, as the tales concern lovers, romantic conquests, and women's virtue -- objects of pride and power. *The Heptameron* is a book to delight, offend, and educate twentieth-century readers. Highly recommended.
