The Greek/English New Testament: A Comparative Study Resource for Evangelical Christians United Bible Societies' Greek Text · English Standard Version ... International Version · King James Version

Many non-expert readers of the Bible are curious about how scholars' renderings of the ancient text stack up against the translations with which they are familiar. Unfortunately, no single volume resource has existed to facilitate this kind of study - until now. The *Greek/English New Testament* features the authoritative United Bible Societies' Greek text, plus five English versions. The latter range from the time-honored KJV to such newly published translations as the ESV, HCSB and NET Bible. Inclusion of the popular NIV rounds out the selection. The scholarly apparatus that accompanies the NET Bible is a boon to any serious study of the New Testament. The six texts are conveniently displayed on facing pages, with the same set of verses on each one.
