TOO BIG STRETCHED Me So DEEP, FILLED Inside Me So HARD SQUIRTING Non-stop: Bang Bareback by Well Hung & Fisting (Well Endowed Erotica Series Book 1) Suzanne Smith

Sansy's, a nerd by look, a kinkster by mind, has real taboo desires. At the top of her list is having her cherry stretched so good by a big veiny hard stiff manly limb.

Once she had fantasized about doing her bedpost. She had bought the XXL Magnum to try and sit on it but she knew her hole wasn't ready for such deep stretching.

Stretching herself had always been a fantasy of hers. Just thinking about the feel of being stretched by a fourteen inches long and thick black rubber toy with real life-like veins raised and ripping down the side makes her cream herself excessively. What she didn't know was a real life big stiff boy rammed in deep into her until her hole was suffocating would make her squirt. And squirt so damn hard.

She goes shopping with her boyfriend's hot mother and they chat about buying a pack of huge sausages and tasting it for the first time. The filthy mind of Sansy figured this is the perfect time to seduce the older woman of her eyes. Sansy is taken by surprise when her boyfriend's father comes around the aisle and shockingly asks her about taking a huge cucumber in her tiny entrance.

Sansy now discovers her father-in-law has one of the hugest bulge she has ever seen. She succumbs to the taboo challenge of the couple. She's taken over a bathroom's face-basin and bored bareback and unprotected from behind. She's pounded hard and deep and stretched and dares not utter a moan or be caught. Can her tiny pink body withstand a pounding from a big stiff hard boy without a scream?

Some things are too taboo to put here, so take a quick look inside to read more juicy description and taboo.

This Book also includes a Juicy Bonus Excerpt from "BOOK 2" at End of this Short

EXCERPT

It started off with a question about sausage and it lead to me looking down again to see if that thing was real. I reeled it out entirely and pushed my pink fist down to the veiny root of his big thick stiffness. The length that hung out his zipper was at least another eight inches. It had a slight bend at the belly and midway it arched to the left. What should make its penetrations unbearable was that the broadest part of his length was right below the pink bulby head. Right there was broad and swollen with liveliness. Broad and fat and thick and hefty and oh so tempting. I thought, I could almost feel it inside me stretching me. It looked too heavy. Too thick for me to sit on, ride on, bore into and through my moistness, that broad section making its way slowly down into me at first then rammed harder and harder. What would it feel like deep?

I stepped back, gasped and put my hand over her mouth. It was the same hand I was holding his thickness with. I pointed at it, it was slowly getting even wider and thicker and climbing up through mid-air in his zipper towards his navel. I was changing my mind. I have never had anything that big, nor have I ever seen one this big in real life.

I had to have it inside me. Skip the pages inside to read more
