## **A Reconnaissance of Selected Organic Compounds in Streams in Tribal Lands in Central Oklahoma, January-February 2009** U.S. Department of the Interior

The U.S. Geological Survey worked in cooperation with the U.S. Environmental Protection Agency and the Kickapoo Tribe of Oklahoma on two separate reconnaissance projects carried out concurrently. Both projects entailed the use of passive samplers as a sampling methodology to investigate the detection of selected organic compounds at stream sites in jurisdictional areas of several tribes in central Oklahoma during January-February 2009.
