Defending Their Mate (Part One)

It's been three months since her new pack saved Grace from captivity. They're everything she never knew to expect as a werewolf--loyal, devoted, and fiercely protective. But her peace of mind is threatened by the arrival of her mating fever--and the crushing desire it brings.

The last time she went into heat, her wolf would accept none of her captors, and the thwarted need almost drove her mad. Now, she finds herself drawn to two very different wolves. Connor's easy, affectionate nature makes her feel worshiped, sheltered. And Mac's inner darkness calls to her own feral cravings...

Tragedy has left Mac emotionally locked away, unwilling to take a mate. It doesn't matter that Grace sparks lust as well as his instincts. He'll keep her safe, defend her--with his life, if necessary. But he can't risk his heart.

Control over his wolf is all that matters to Connor--until Grace. But claiming the curvy beauty is anything but simple. Falling for her could shatter the bond he shares with Mac, and cost him everything that's kept him sane.

When Grace goes into heat, all bets are off. Because only one thing matters--soothing her fever.

This is the first installment in DEFENDING THEIR MATE, an erotic BBW paranormal romance serial set in the world of The Last Pack. It contains strong language and explicit sex with multiple partners. For adult readers.
