When archaeologist Steve Watkins fled to the Greek island of Samos to escape the horror he'd unearthed at Skendleby, he'd hoped to have found refuge. But the ancient terror that had spawned at Skendleby was waiting for him. Across the island an enigmatic and haunted detective, Theodrakis, is baffled by a series of brutal ritual killings infecting the island like a plague and spreading violent anarchy. Now the fates of these two men will be drawn together; against a backdrop of mayhem, fire and violence they begin to uncover the horrifying cosmic significance of this most ancient evil.
