When Lady Grace Warren's father sells her in marriage to the depraved Lord Fentington, she knows only the most drastic action will save her from a life of misery. In Victorian England, a woman possesses only one item of value: her virtue. Without it, Fentington will not want her—nor will any other man. But at least she will be free. Now she must find a man with whom to pass the fateful night, a man who will ask no questions, make no other demands. Because for a woman preparing to risk everything, no ordinary man will do...

After losing two wives in childbirth, Vincent Germaine, Duke of Raeburn, vows never to marry again. Racked with guilt over the lives lost in his quest for an heir, he is careful now to take his pleasure only with London's most discreet courtesans. Yet when he learns that a passionate encounter with a bewitching stranger may have put yet another life at risk, Vincent sets out to find the unsuspecting girl—and discovers a woman of incomparable courage, beauty, and strength. But can two strangers brought together by desperation find true love against all odds?
