#### **Angela Rodriguez:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very

important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Selected Papers on Language and the Brain Synthesis Library/ Volume 68 can make you sense more interested to read.
