The Gifted Kids' Survival Guide: For Ages 10 & Under Judy, M.A. Galbraith

First published in 1984, newly revised and updated, this book has helped countless young gifted children realize they're not alone and being smart, talented and creative is a bonus--not a burden. It answers their questions about why they think and learn the way they do, and what "giftedness" and IQ really mean, and how to handle high expectations.
