## **The Laying On Of Hands** Alan Bennett

Clive Dunlop was a masseur of exceptional talents. His 'services' were much in demand amongst the great and the good and after his untimely death at the age of 34 they -- the film stars and politicians, the writers and publishers, the TV pundits and celebrity chefs -- are gathered for his memorial service. The conduct of the service is a great worry for the priest taking the service, but it proves to be a test for the congregation.

This is Alan Bennett at his absolute best with an exceptional satire. It is a perfect work of fiction but it will give readers the extra frisson of pleasure of identifying many of the characters, including even the masseur. **This is a small masterpiece.**
