The Love Letter Fiona Walker

Can fate be signed, sealed and delivered?

When **Allegra North** parted from first love **Francis** after a decade together, she poured all her regret into a letter. He didn't reply. A year later, her job brings her back to the beautiful Devon coast where romance first blossomed and she hopes that they can start a new chapter.

As summer storms circle, the exes juggle rebellious parents, vengeful family members and a very reluctant celebrity author who holds the key to everybody's future . . .

The Love Letter is a wonderfully warm comedy of mistaken identities, new loves and old flames.

From reader reviews:

Juan Reynolds:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each book has different aim or maybe goal; it means that publication has different type. Some people truly feel enjoy to spend their time for you to read a book. They can be reading whatever they take because their hobby is actually reading a book. Think about the person who don't like studying a book? Sometime, man or woman feel need book after they found difficult problem or maybe exercise. Well, probably you should have this The Love Letter.

Eric Langley:

Playing with family in a very park, coming to see the marine world or hanging out with good friends is thing that usually you might have done when you have spare time, in that case why you don't try point that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Love Letter, you could enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't buy it, oh come on its identified as reading friends.

Michael Ramsey:

What is your hobby? Have you heard that will question when you got college students? We believe that that problem was given by teacher to their students. Many kinds of hobby, Every person has different hobby. So you know that little person such as reading or as studying become their hobby. You must know that reading is very important in addition to book as to be the thing. Book is important thing to provide you knowledge, except your current teacher or lecturer. You find good news or update in relation to something by book. Amount types of books that can you choose to use be your object. One of them is The Love Letter.

Gail Blakely:

Some individuals said that they feel bored when they reading a book. They are directly felt the item when they get a half portions of the book. You can choose the particular book The Love Letter to make your own reading is interesting. Your current skill of reading expertise is developing when you just like reading. Try to choose straightforward book to make you enjoy to study it and mingle the feeling about book and reading through especially. It is to be initial opinion for you to like to start a book and learn it. Beside that the publication The Love Letter can to be your brand new friend when you're sense alone and confuse in what must you're doing of the time.
