German Technical Dictionary (Volume 1)

German Technical Dictionary (Volume 1)

Since its publication in 1995, the *German Technical Dictionary* has established itself as the definitive resource for anyone who needs to translate technical documents between German and English.

This new edition has been substantially revised to reflect the technological environment of the twenty-first century. The revised edition contains over 75,000 entries, of which over 5,000 are new, with many new entries in the areas of:

- * the Internet and telecommunications
- * bio-technology and the new genetics
- * new developments in health technology.

Throughout, this dictionary continues to benefit from the features that made the first edition so valuable, including accurate translations in British and American English and an attractive, durable and easy to use layout.
