When Tom's grandfather goes off the road, Tom is sure Gandy has gone mad. Tom knows that beyond the wall lies the Outside, a wild place filled with barbarians and unimaginable dangers. He also knows that Oldies are weak-minded. So Tom summons all his courage and goes after Gandy, who obviously doesn't know what he's doing. Or does he? Tom's experience in the strange, messy, emotional world Outside, where so many things prohibited to Insiders are taken for granted, quickly shakes all his certainties. Who is crazy, the Oldies who are sent to the Memory Theme Park, or the families who let them go? Is the Wall meant to keep the Outsiders out, as Tom has always been told--or the Insiders in? Master storyteller Nina Bawden, known for stories in which secrets from the past emerge in the present, has created a spellbinding adventure set in a future society with secrets that make it a chilling mirror of our own.
