Relational Autonomy and Family Law (SpringerBriefs in Law)

Jonathan Herring

Relational Autonomy and Family Law (SpringerBriefs in Law) Jonathan Herring

This book explores the importance of autonomy in family law. It argues that traditional understandings of autonomy are inappropriate in the family law context and instead recommends the use of relational autonomy. The book starts by explaining how autonomy has historically been understood, before exploring the problems with its use in family law. It then sets out the model of relational autonomy which, it will be argued, is more appropriate in this context. Finally, some examples of practical application are presented. The issues raised and theoretical discussion is relevant to any jurisdiction.
