So You Think You Know: da Vinci and Kabbalah (Volume 1) Benjamin Jacob Bloch PhD

Why is this book different from all other books?

Because I guarantee that this book alone can make you an authority. You won't have to spend 50 years of research (like I did) to expose the secrets of da Vinci and Kabbalah. You won't have to register for courses or attend lectures. This book, the first in a series, is not filled with the prosaic empty expressions found in other books, but real secrets, for you to use immediately.

Here is a small sample of what is contained within.

There are two famous expressions, one from ancient scripture the other from our modern age; Einstein's equation energy-mass equation and YHVH in scripture. Do you see their similarity and relationship? View them now in an equivalent but more revealing Divine Duality.

$E = mc^2$ is the quantitative and qualitative Einstein equation. Energy is matter enclosed within light, and $Y = HVH$ as written in scripture.

Have you seen any other book reveal one of its secrets so openly?

Are you now ready to become an immediate authority?
