"Special Children, the Children with Special Needs Guidebook" is an all-inclusive resource book for parents, teachers, aides, school administrators, medical and alternative health practitioners and anyone who spends time with special needs children (ages 3-21). For the new parents of a special needs child, this book has easy-to-find information and resources to help you understand the words, treatments and legal rights your child needs and deserves. For the educational professional, this book contains details on the Individualized Education Plan (IEP), intervention methods and even teaching tips. This is especially helpful to those professionals who haven't had formal training in working with special needs children. For the practitioner, this book contains updates to the latest Diagnostic and Statistical Manual of Mental Disorders (DSM-5), and the changes to Autism Spectrum Disorders (ASD). There's even a section on alternative treatments and therapies. If you are new to the world of special needs children and need a single-source to answer common questions, there's no need to scour the internet ... the "Special Children, the Children With Special Needs Guidebook" is all you need.
