If We All Become Rich, Who Will Clean The Toilets? (How This and Other Mental Paradoxes Are Keeping You Broke and Unfulfilled! Book 1) Paul Piotrowski

Your mind plays an important and powerful part in manifesting your desires. What happens though, if your mind is working against you? What if we are trying to achieve financial success, for example, and our minds are infected with "mental paradoxes" such as "If everyone becomes rich, who will clean the toilets?" These types of paradoxes work against us, slow us down, and can even paralyze us.

Paul Piotrowski examines nine different strategies that can help to bypass these paradoxes in order to help the law of attraction work for you. Through personal discovery and experimentation, Paul guides you around the pitfalls most people experience when trying to manifest what they want. If you've had questions regarding manifestation, "If Everyone Becomes Rich, Who will Clean The Toilets?" will help you understand why the mental paradoxes you keep in your mind are holding you back from achieving your most wanted desires.

Paul's study of the law of attraction has taken him on a decade long journey of self-discovery, enlightenment and yes, success. His book shares his findings and gives answers to some of the most sought after questions regarding the law of attraction. It IS possible to live the life of your dreams, and it is Paul's sincere wish that this book helps you achieve the best you can be!
