**JOY OF COOKING: 75TH ANNIVERSARY EDITION - 2006 (ANNIVERSARY) by Rombauer, Irma S. ( Author ) on Oct-31-2006[ Hardcover ]** Irma S. Rombauer

JOY remains the greatest teaching cookbook ever written. Reference material gives cooks the precise information they need for success. New illustrations focus on techniques, including everything from knife skills to splitting cake layers, setting a table, and making tamales. This edition also brings back the encyclopedic chapter Know Your Ingredients. The chapter that novices and pros alike have consulted for over thirty years has been revised, expanded, and banded, making it a book within a book. Cooking Methods shows cooks how to braise, steam, roast, sauté, and deep-fry effortlessly, while an all-new Nutrition chapter has the latest thinking on healthy eating—as well as a large dose of common sense. This edition restores the personality of the book, reinstating popular elements such as the grab-bag Brunch, Lunch, and Supper chapter and chapters on frozen desserts, cocktails, beer and wine, canning, salting, smoking, jellies and preserves, pickles and relishes, and freezing foods. Fruit recipes bring these favorite ingredients into all courses of the meal, and there is a new grains chart. There are even recipes kids will enjoy making and eating, such as Chocolate Dipped Bananas, Dyed Easter Eggs, and the ever-popular Pizza. In addition to hundreds of brand-new recipes, this JOY is filled with many recipes from all previous editions, retested and reinvented for today's tastes. This is the JOY for how we live now. Knowing that most cooks are sometimes in a hurry to make a meal, the JOY now has many new dishes ready in thirty minutes or less. Slow cooker recipes have been added for the first time, and Tuna Casserole made with canned cream of mushroom soup is back. This JOY shares how to save time without losing flavor by using quality convenience foods such as canned stocks and broths, beans, tomatoes, and soups, as well as a wide array of frozen ingredients.
