Murder At the Washington Tribune

Margaret Truman

Murder At the Washington Tribune Margaret Truman

From Publishers Weekly Instead of using an actual D.C. locale, Truman sets her solid 21st mystery (after 2004's *Murder at Union Station*) at the fictional Washington Tribune, not to be confused with any actual newspaper. When two young, attractive female media professionals, one a Tribune employee, are murdered, veteran crime reporter Joe Wilcox, who's been feeling the heat from his boss, senses a chance to improve his position by theorizing that a serial killer is at work. To complicate matters, Joe's brother, Michael, who was long ago institutionalized for killing a young girl, arrives in town and begins to insinuate himself back into Joe's life. Joe's daughter, Roberta, an up-and-coming local TV newscaster, competes for scoops as more mayhem follows. Truman works hard to put all the pieces together, and though it's not her most plausible puzzle, she delivers a satisfying resolution to what becomes a cautionary tale about ambition and a vote for journalistic integrity.
