The Magic Ladder to Success: The Original 1930 Unedited Edition Napoleon Hill

Napoleon Hill had published in 1928 the sixteen lessons on success in an 8-volume set of books called Law of Success, which were about 1,000 pages. In 1930 Napoleon Hill published The Magic Ladder to Success. The time could not have been worse as the collapse of the stock market in October 1929 was the beginning of the period of United States history known as The Great Depression. He thought a condensed version to the Law of Success would be a great seller, the sixteen lessons from the Law of Success are offered in The Magic Ladder to Success with about 200 pages.
