Central Park (Then and Now: New York) Edward J. Levine

Since it opened in 1858, Central Park has been one of New York's most-photographed landmarks. However, while some of the park remains as it was then, much of the park's landscape has changed over the years. Through historic images and contemporary photographs by Denise Stavis Levine, Central Park provides a previously unseen glimpse of the park's hidden history and brings it up to date.
