James Patterson

On the night Malcolm and Maud Angel are murdered, their daughter Tandy knows just three things: 1) She was one of the last people to see her parents alive. 2) The suspect list only includes Tandy and her three siblings. 3) She can't trust anyone--maybe not even herself. As Tandy sets out to clear the family name, she begins to recall flashes of experiences long buried in her vulnerable psyche. These memories shed light on her family's dark secrets, and digging deeper into her powerful parents' affairs proves to be a disturbing and dangerous game. Who knows what any of the Angels are truly capable of?
