Copyright Illuminated: Refocussing the Diffuse U.S. Statute

David Nimmer

Copyright Illuminated: Refocussing the Diffuse U.S. Statute David Nimmer

For several decades now David Nimmer has maintained a steady flow of insightful, witty, and deeply-informed commentary on copyright in the law journals. His well-earned reputation as a major authority and theorist on copyright law is unassailable.

In this new volume—a companion to his very well received *Copyright: Sacred Text, Technology, and the DMCA*, published by Kluwer in 2003—Nimmer once again tackles some of the thorniest issues that arise in the practice of copyright law, including the following and much more:

- the work for hire doctrine
- repeat infringers
- fair use determination, and
- substantial similarity of computer programs.

Although the volume collects articles originally published between 1988 and 2006 (mostly in the past few years), Nimmer has scrupulously updated the texts and woven them together into a unified whole. What the book offers as a result is a microscopic scrutiny of the U.S. Copyright Act of 1976 and all its amendments, with an immeasurable abundance of interpretation grounded in the author's unmatched familiarity with the law and its application. This is a work that no lawyer handling copyright cases—or indeed no student or scholar of any branch of intellectual property law—will want to be without.

People who think that in book form make them feel tired even dizzy this reserve is the answer. So you cannot find any in reading a e-book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the item! Just read this e-book sort for your better life and also knowledge.

Kelly Edge:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's

country. Therefore this Copyright Illuminated: Refocussing the Diffuse U.S. Statute can make you experience more interested to read.
