Haunts of the Black Masseur

Charles Sprawson

Haunts of the Black Masseur Charles Sprawson

A cult swimming classic, laden with references to literature, art and Olympic history.

Haunts of the Black Masseur is a dazzling introduction to the great swimming heroes: Byron leaping into the surf at Shelley's beach funeral, Hart Crane, swallow-diving to his death in the Bay of Mexico, Ulysses, Leander, Weismuller and many more. In lively prose bursting with anecdote, Charles Sprawson leads us into a watery world populated by lithe demi-Gods -- one that has obsessed humans from the ancient Greeks and Romans, to Yeats, Virginia Woolf, F. Scott Fitzgerald and David Hockney.

Original, enticing and dripping with references to literature, film, art and Olympic history, this cult swimming classic pays sparkling tribute to water and the cultural meanings we attach to it.
