Anatomy of a Misfit Andrea Portes

In this *Mean Girls* meets *The Perks of Being a Wallflower* tale, narrator Anika Dragomir is the third-most-popular girl at Pound High School. But inside, she knows she's a freak; she can't stop thinking about former loner Logan McDonough, who showed up on the first day of tenth grade hotter, bolder, and more mysterious than ever.

Logan is fascinating, troubled, and *off limits*. The Pound High queen bee will make Anika's life hell if she's seen with him.

So Anika must choose—ignore her feelings and keep her social status? Or follow her heart and risk becoming a pariah. Which will she pick? And what will she think of her choice when an unimaginable tragedy strikes, changing her forever? An absolutely original new voice in YA in a story that will start important conversations—and tear at your heart.
